#### **XIV.Attendance Policy**

Any student who accrues **more than five** absences **shall be dropped** with a grade of “X” if the student does not have a passing grade average at that time. No distinctions will be made between excused or unexcused absences.

A student accrues an absence each time he or she accumulates a total of three tardies. A ‘tardy’ is defined as being between 1-10 minutes late. Whenever possible, students should let the instructor know about expected absences as soon as possible and before the class meeting. If a student is more than 30 minutes late to class, that student will be counted absent.

Missing class due to COVID-19 does not count towards the five allowed absences, but you must confirm that you have COVID-19 through the school nurse. If you have been exposed or have symptoms of COVID-19, contact DeEtte Edens, BSN, RN in Health Services at [dedens@southplainscollege.edu](mailto:dedens@southplainscollege.edu) or at (806) 716-2376.

#### **XV.Late Work**

Unless prior approval is received, late submission of assignments will result in a grade deduction of one half-letter grade (5%) for each calendar day (not including Saturdays, Sundays, or holidays) that the assignment is late.

#### **XVI.Plagiarism and Cheating**

Students are expected to do their own work on all projects, quizzes, assignments, and papers. Failure to comply with this policy will result in an F for the assignment and can result in an F for the course if circumstances warrant it.

Plagiarism violations include, but are not limited to, the following:

1. Using Artificial Intelligence websites or apps to generate **and/or revise** all or part of a paper or other assignment;
2. Turning in a paper that has been purchased, borrowed, or downloaded from another student or from an online site;
3. Cutting and pasting together information from books, articles, other papers, or online sites without providing proper documentation;
4. Using direct quotations (three or more words) from a source without showing them to be direct quotations and citing them;
5. Submitting an assignment for this course that you also submitted to another course without my express approval; or
6. Missing in-text citations and/or missing works cited entries.

Cheating violations include, but are not limited to, the following:

1. Obtaining an examination by stealing or collusion;
2. Discovering the content of an examination before it is given;
3. Using an unauthorized source of information (notes, textbook, text messaging, internet) during an examination, quiz or homework assignment;
4. Entering an office or building to obtain unfair advantage;
5. Taking an examination for another;
6. Altering grade records;
7. Copying another's work during an examination or on a homework assignment;
8. Rewriting another student's work in Peer Editing so that the writing is no longer the original student's; or
9. Taking pictures of a test, test answers, or someone else's paper.

### **XVII. In-Person Student Code of Conduct Policy**

Any successful learning experience requires mutual respect on the part of the student and the instructor. Neither instructor nor student should be subject to others' behavior that is rude, disruptive, intimidating, aggressive, or demeaning. Student conduct that disrupts the learning process or is deemed disrespectful or threatening shall not be tolerated and may lead to disciplinary action and/or removal from class.

If a student is exhibiting disruptive behavior (for example, talking loudly without permission), I will give him or her a warning. The second time this happens, I will tell the student to leave class, and the student will be counted absent for the day. I will also contact the dean. The dean will usually contact the student to schedule a time to discuss the cause of the disruptions. After this, if there is a third disruption, I will ask the student to leave class and drop the student from the course with a grade of "F."

### **XVIII. Disability Statement**

Students with disabilities, including but not limited to physical, psychiatric, or learning disabilities, who wish to request accommodations in this class should notify the Disability Services Office early in the semester so that the appropriate arrangements may be made. In accordance with federal law, a student requesting accommodations must provide acceptable documentation of his/her disability to the Disability Services Office.
