

## PROFESSIONAL DRIVER TRAINING TEXAS CDL-A LICENSES

### THE PROGRAM

South Plains College Professional Driver Training endeavors to offer quality instruction to enable a student to be trained and employed in the shortest time possible. The school assumes a responsibility for instilling a respect for work and a sincere regard for the benefits accrued from application of technical skills in a modern industrialized economy. The school understands that each student is an individual with individual needs. Courses are designed to be adaptable to such individual needs.

### ADMISSION REQUIREMENTS

SPC accepts students without regard to sex, religion, handicap, race, color, age, disability, veteran status, or ethnic origin. SPC complies with all federal and state regulations, the applicant's general appearance and physical condition must be consistent with general employment situations.

### ATDS DRIVING SCHOOL

South Plains College has partnered with ATDS Driving School from Elm Mott, TX. To Provide Quality Training and Professional, Courteous Drivers. ATDS is approved by the Texas Workforce Commission Career Schools & Colleges. ATDS Professional Truck Driving-100 Course is a member of the Commercial Vehicle Training Association (CVTA) as well.

### FACILITIES

The Diesel Truck Driver Training facilities (Administrative, Training offices, Classrooms, and Driving Range) are located at the Reese Center in Lubbock, TX. The facility utilizes a private range to operate the driving range and backing area training. The modern classroom and lab facilities are fully equipped with heating and air conditioning and are arranged specifically to suit the subjects taught. SPC maintains a fleet of specialized training vehicles equipped with student seating in place of sleeper berths. Road vehicles have blind side cameras and other monitors for training purposes. ATDS road tractors are all-manual, and pull loaded and unloaded trailers for training purposes.
