Grading Scale

90-100%=A 80-89%=B 70-79%=C 60-69%=D 0-59%=F

WRITTEN ASSIGNMENTS

You will have three written assignments to complete. The assignments are designed to make you think and express your opinion about a particular topic. You will be given a prompt and you will need to submit a one to two page, typed, double-spaced, 12-point font paper. You will be evaluated on your ability to provide thoughtful and convincing arguments for your opinion as well as your writing skills (formatting, grammar, spelling, etc...)

CONCERT ATTENDANCE PROJECT

This project is worth 10% of the final average. The student will **fully** watch one of the concerts listed and submit a two page, typed, double-spaced, 12-point font paper. The content of the paper should be focused on evaluating and reacting to the experience and the music, not a listing of compositions and performers. **Students must choose from a list of approved concerts/videos provided by the instructor.**

Projects which do not follow the above requirements will not receive credit.

CLASS ATTENDANCE/PARTICIPATION

Students are expected to participate in class through required discussions and assignments. If a student hasn't participated in any form for a minimum of three weeks without any communication and is earning an "F" in the class, then they will be administratively withdrawn from the class. Because enrollment for this section of the class is low enough, we will meet face-to-face during the regular class time. Should you be required to quarantine, please give me enough notice that I create a Zoom session so you can attend and participate in class during that time.
