

# Contemporary Math

## Math 1332.608

### Syllabus

**Gina Becker**

**[gbecker@southplainscollege.edu](mailto:gbecker@southplainscollege.edu)**

**Downtown Center B018**

**806.716.4684**

Office Hours: Downtown Center in the Basement, B018 unless otherwise noted.

Monday	Tuesday	Wednesday	Thursday	Friday
8:00 - 9:00	7:45 - 8:00	8:00 - 9:00	7:45 - 8:00	8:00 - 9:00
10:45 - 11:00 B004	9:15 - 11:00	10:45 - 11:00 B004	9:15 - 11:00	
	12:45 – 1:00 B004		12:45 – 1:00 B004	
Off Campus		Off Campus		

## ATTENDANCE

- Your presence in class provides the best opportunity for you to pass.
- Course attendance will be taken each class. Per South Plains College Math Department policy, you may be administratively dropped from the course if your number of missed submissions goes over 20% of all submissions.
- Using your phone or leaving class for extended breaks disrupts your learning process.
- No make up Quizzes or Exams due to absence will be offered.

## CLASS STRUCTURE

- This class meets in person two days each week. You should print the notes and bring them with you to class to complete.
- If you must miss class for any reason, the completed notes may be found in Class Notebook and the recorded lecture may be found on Collaborate.

# GRADING

<b>Description</b>	Assigned each day. Due the night before the next class day. Upload to Gradescope by deadline.	Given weekly on non-exam/review weeks. Will cover material from the previous week.	Given at the end of each unit. <i>The review counts as a homework grade.</i>
<b>Number</b>	25 homework assignments <i>Late assignments are not accepted.</i>	8 quizzes <i>You must be present to take the quiz. No makeups offered.</i>	4 unit exams <i>You must be present to the the exam. No makeups offered.</i>
<b>Points</b>	Each homework is worth 0.4 points	Each quiz is worth 4 points.	Each exam is worth 10 points. The Final Exam will be worth 20 points
<b>Total Points for Math 1332</b>	8 points	32 points	Exams - 40 points Final Exam - 20 points <i>100 points total</i>

Grades assigned by point total:

A: 90 - 100

B: 80-90

C: 70 - 80

D: 60 - 70

F: Below 60

## YOUR HOMEWORK

Print your name at the top of the page and write the question number for each problem. Show all necessary work.

Clearly mark your answer and check the homework answers to ensure you are practicing correctly.

Submit the assignment using the Gradescope app before the deadline. Check the calendar.

# Pass this Class

Be present in class, both physically and mentally.

Print notes from Blackboard and bring to class. Use a 3 ring binder to keep them organized.

If you prefer to write notes on paper, use a spiral.

Complete homework on the day it is assigned. Then you will be able to ask questions, if needed.

Ask questions! When you send an email, send a picture of your work.

You may use your homework on your quiz. **Write the title for the assignment on the page.**

To receive full credit on practice problems and exams, you must show all work that leads to your answers. The work must be legible, make sense and be easy to follow. All work and answers should be handwritten.

The best way to study for a math exam is to practice working problems over and over again.

## Supplies

---

- A textbook is not required for this course.
- Homework and notes will be provided on Blackboard.
- pencils, 3 ring binder and notebook paper or 300 page spiral, 3" x 5" notecards
- Computer or cell phone that you can use to check Blackboard and emails and to **upload your homework to Gradescope.**
- Scientific Calculator (TI-30X IIS is a good and inexpensive option.)

## Other information

---

- **Communication:** Any questions or comments should be sent using SPC email. I will do my best to respond to your email within 24 hours of receipt. Any email sent on a weekend may not be answered until Monday.
- **Blackboard:** This course syllabus, as well as any class handouts and assignments may be accessed through Blackboard. Login at <http://southplainscollege.blackboard.com>. The user name and password should be the same as the MySPC and SPC email.

User name: first initial, last name, and last 4 digits of the Student ID

Password: Original CampusConnect Pin Number (found on SPC acceptance letter)

Questions regarding Blackboard support may be emailed to [blackboard@southplainscollege.edu](mailto:blackboard@southplainscollege.edu) or by telephone 806-716-2180.

- **SPC Tutoring Options: In Person:** Tutoring is FREE for all currently enrolled students. Make an appointment or drop-in for help at any SPC location or online! Visit the link below to learn more about how to book an appointment, view the tutoring schedule, get to know the tutors and view tutoring locations.  
<http://www.southplainscollege.edu/exploreprograms/artsandsciences/teacheredtutoring.php>
- **Tutor.com** You also have 180 FREE minutes of tutoring with tutor.com each week, and your hours reset every Monday morning. Log into Blackboard, click on the tutor.com link on the left-hand tool bar and grab a session with a tutor. You can access tutor.com tutors during the following times: Monday – Thursday: 8pm-8 am Friday 6 pm –Monday morning 8am Free tutoring is available through the college. Check Blackboard for additional information about tutoring.
- **Withdrawal from course:** Fill out the Student Initiated Drop Form found at <https://www.southplainscollege.edu/admission-aid/apply/schedulechanges.php>. SPC might not permit an undergraduate student to drop a total of more than six courses (including any course a transfer student has dropped at another institution of higher education.)

***Note: The instructor reserves the right to modify the course syllabus and policies, as well as notify students of any changes, at any point during the semester.***

## Tentative Course Schedule

Week	Tuesday	Thursday
1	<b>August 26</b> Course Introduction	<b>August 28</b> 1.1 Order of Operations, Exponents
2	<b>September 2</b> 1.2 Solving Linear Equations	<b>September 4</b> 1.3 Applications of Linear Equations <b>Quiz 1</b>
3	<b>September 9</b> 1.4 The Rectangular Coordinate System, Distance and Midpoint and Introduction to Lines and Slope	<b>September 11</b> 1.5 Equations of Lines and Functions, Graphs and Models <b>Quiz 2</b>
4	<b>September 16</b> 1.6 Systems of Linear Equations and Applications 1.7 Unit 1 Review	<b>September 18</b> Unit 1 Exam Review <b>Quiz 3</b>
5	<b>September 23</b> <b>Unit 1 Exam</b>	<b>September 25</b> 2.1 Solving Quadratic Equations, Decimals and Percent and Scientific Notation
6	<b>September 30</b> 2.2 Ratios and Proportions; Variation	<b>October 2</b> 2.3 Simple and Compound Interest <b>Quiz 4</b>
7	<b>October 7</b> 2.4 Loan Amortization; The Cost and Advantages of Home Ownership	<b>October 9</b> 2.5 Financial Investments and Budgeting 2.6 Unit 2 Review <b>Quiz 5</b>
8	<b>October 14</b> 2.6 Unit 2 Review	<b>October 16</b> <b>Unit 2 Exam</b>
9	<b>October 21</b> 3.1 Measurement and Conversions	<b>October 23</b> 3.2 Angles, Curves and Polygons
10	<b>October 28</b> 3.3 Triangles: Similarity, The Pythagorean Theorem; Perimeter and Circumference	<b>October 30</b> 3.4 Area, Surface Area and Volume 3.6 Unit 3 Review <b>Quiz 6</b>
11	<b>November 4</b> 3.5 Right Triangle Trigonometry	<b>November 6</b> <b>Unit 3 Exam</b>
12	<b>November 11</b> 4.1 Sets, Subsets, and Venn Diagrams, Cardinal Numbers and Surveys	<b>November 13</b> 4.2 Counting by Systematic Listing, Using the Fundamental Counting Principle <b>Quiz 7</b>
13	<b>November 18</b> 4.3 Basic Probability	<b>November 20</b> 4.4 Probability Events Involving Not and Or and Conditional Probability and Events Involving And 4.5 Unit 4 Review <b>Quiz 8</b>
14	<b>November 25</b> Unit 4 Exam	<b>November 27</b> <b>Thanksgiving Break</b>
15	<b>December 2</b> 5.1 Visual Displays of Data and Measures of Central Tendency <b>Quiz 9</b>	<b>December 4 Last Day to Withdraw</b> Final Exam Review
16		<b>December 11</b> <b>Final Exam Math 1332</b> <b>10:15 – 12:15</b>

**South Plains College**  
**Common Course Syllabus: MATH 1332**  
**Revised July 2023**

**Department:** Mathematics, Engineering, and Computer Science

**Discipline:** Mathematics

**Course Number:** MATH 1332

**Course Title:** Contemporary Mathematics

**Available Formats:** conventional, hybrid, and internet

**Campuses:** Levelland, Downtown Center, Plainview Center, Lubbock Center, and Dual Credit

**Course Description:** Intended for Non-STEM (Science, Technology, Engineering, and Mathematics) majors. Topics include introductory treatments of sets and logic, financial mathematics, probability and statistics with appropriate applications. Number sense, proportional reasoning, estimation, technology, and communication should be embedded throughout the course. Additional topics may be covered.

**Prerequisite:** Minimum score of 350 on the TSIA1, minimum score of 950 on the TSIA2, a diagnostic score of 6 on the TSIA2, TSI-exempt status, a successful completion with a grade of 'C' or better in MATH 0337, or successful completion of NCBM-0112.

**Credit:** 3 **Lecture:** 3 **Lab:** 0

**Textbook:** *Mathematical Ideas*, Miller, Heeren, and Hornsby, 2019, 14<sup>th</sup> Edition, Prentice Hall/Pearson Education

**Supplies:** Please see the instructor's course information sheet for specific supplies.

**This course partially satisfies a Core Curriculum Requirement:** Mathematics Foundational Component Area (020)

**Core Curriculum Objectives addressed:**

- **Communications skills**—to include effective written, oral and visual communication
- **Critical thinking skills**—to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
- **Empirical and quantitative competency skills**—to manipulate and analyze numerical data or observable facts resulting in informed conclusions

**Student Learning Outcomes:** Upon completion of this course and receiving a passing grade, the student will be able to:

1. Apply the language and notation of sets.
2. Determine the validity of an argument or statement and provide mathematical evidence.
3. Solve problems in mathematics of finance.
4. Demonstrate fundamental probability/counting techniques and apply those techniques to solve problems.
5. Interpret and analyze various representations of data.
6. Demonstrate the ability to choose and analyze mathematical models to solve problems from real-world settings, including, but not limited to, personal finance, health literacy, and civic engagement.

**Student Learning Outcomes Assessment:** A pre- and post-test questions will be used to determine the extent of improvement that the students have gained during the semester

**Course Evaluation:** There will be departmental final exam questions given by all instructors.

**Attendance/Student Engagement Policy:** Attendance and engagement are the most critical activities for success in this course. The instructor maintains records of the student's attendance and submission of assignments throughout the semester. The student is expected to attend at least eighty percent (80%) of the **total** class meetings **and** submit at least eighty percent (80%) of the **total** class assignments to have the best chance of success. If the student fails to meet these minimum requirements, the instructor may remove the student from the class with an X, upon their discretion, to help the student from harming their GPA. If the student can not receive an X, the instructor will assign an F.

Plagiarism violations include, but are not limited to, the following:

1. Turning in a paper that has been purchased, borrowed, or downloaded from another student, an online term paper site, or a mail order term paper mill;
2. Cutting and pasting together information from books, articles, other papers, or online sites without providing proper documentation;
3. Using direct quotations (three or more words) from a source without showing them to be direct quotations and citing them; or
4. Missing in-text citations.

Cheating violations include, but are not limited to, the following:

1. Obtaining an examination by stealing or collusion;
2. Discovering the content of an examination before it is given;
3. Using an unauthorized source of information (notes, textbook, text messaging, internet, apps) during an examination, quiz, or homework assignment;
4. Entering an office or building to obtain an unfair advantage;
5. Taking an examination for another;
6. Altering grade records;
7. Copying another's work during an examination or on a homework assignment;
8. Rewriting another student's work in Peer Editing so that the writing is no longer the original student's;
9. Taking pictures of a test, test answers, or someone else's paper.

**Student Code of Conduct Policy:** Any successful learning experience requires mutual respect from the student and the instructor. Neither the instructor nor the student should be subject to others' rude, disruptive, intimidating, aggressive, or demeaning behavior. Student conduct that disrupts the learning process or is deemed disrespectful or threatening shall not be tolerated and may lead to disciplinary action and/or removal from class.

For information regarding official South Plains College statements about intellectual exchange, disabilities, non-discrimination, Title IX Pregnancy Accommodations, CARE Team, and Campus Concealed Carry, please visit <https://www.southplainscollege.edu/syllabusstatements/>.

South Plains College policies, return to campus plan, and protocols regarding COVID-19 can be found here: <https://www.southplainscollege.edu/emergency/covid19-faq.php>.

**SPC Bookstore Price Match Guarantee Policy:** If you find a lower price on a textbook, the South Plains College bookstore will match that price. The difference will be given to the student on a bookstore gift certificate! The gift certificate can be spent on anything in the store.

If students have already purchased textbooks and then find a better price later, the South Plains College bookstore will price match through the first week of the semester. The student must have a copy of the receipt and the book has to be in stock at the competition at the time of the price match.

The South Plains College bookstore will happily price match BN.com & books on Amazon noted as *ships from and sold by Amazon.com*. Online marketplaces such as *Other Sellers* on Amazon, Amazon's Warehouse Deals, *fulfilled by* Amazon, BN.com Marketplace, and peer-to-peer pricing are not eligible. They will price match the exact textbook, in the same edition and format, including all accompanying materials, like workbooks and CDs.

A textbook is only eligible for price match if it is in stock on a competitor's website at time of the price match request. Additional membership discounts and offers cannot be applied to the student's refund.

Price matching is only available on in-store purchases. Digital books, access codes sold via publisher sites, rentals and special orders are not eligible. Only one price match per title per customer is allowed.

Note: The instructor reserves the right to modify the course syllabus and policies, as well as notify students of any changes, at any point during the semester.
