If you are having difficulty of any kind **the earlier you ask for help, the easier the solution to your problem will be.** I cannot help if I am unaware. - Cough, shortness of breath, difficulty breathing
- Fever or chills
- Muscles or body aches
- Vomiting or diarrhea
- New loss of taste and smell

Please also notify **DeEtte Edens**, BSN, RN, Associate Director of Health & Wellness, at [dedens@southplainscollege.edu](mailto:dedens@southplainscollege.edu) or **806-716-2376**. Proof of a positive test is required. A home test is sufficient but students must submit a photo of the positive result. The date of test must be written on the test result and an ID included in the photo. If tested elsewhere (clinic, pharmacy, etc.), please submit a copy of the doctor's note or email notification. Results may be emailed to DeEtte Edens, BSN, RN at [dedens@southplainscollege.edu](mailto:dedens@southplainscollege.edu).

**A student is clear to return to class without further assessment from DeEtte Edens, BSN, RN if they have completed the 5-day isolation period, symptoms have improved, and they are without fever for 24 hours without the use of fever-reducing medication. Students must communicate with DeEtte Edens, BSN, RN prior to their return date if still symptomatic at the end of the 5-day isolation. Please note that day 0 is the date of positive test. Day 1 begins the first full day after the date of positive result.**

***Student Absence for Observation of Religious Holy Days:*** A student who is absent from classes for the observation of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence **if, not later than the fifteenth day after the first day of the semester, the student had notified the instructor of each scheduled class that the student would be absent for a religious holy day.**

**\*\*\*I will accommodate students who have the appropriate documentation of disability. Documented or not; however, contact me during the first week of class to discuss our plan of action.\*\*\***

**Evaluation Method:**

<b>13 Quizzes</b>	<b>20%</b>
<b>3 Exams</b>	<b>35%</b>
<b>6 Assignments</b>	<b>30%</b>
<b>3 Discussions</b>	<b>15%</b>

**Grading: The grading scale will be as follows:**

<b>90-100 = A</b>	<b>80-89 = B</b>	<b>70-79 = C</b>	<b>60-69 = D</b>	<b>59 or below = F</b>
-------------------	------------------	------------------	------------------	------------------------

**You earn your grade; that grade is entered. Grades are updated weekly (sometimes sooner if there is less reading involved).**

- ❖ **Quizzes:** The instructor will administer 13 (may drop a quiz) quizzes. Should a student miss a quiz deadline they will be required to submit outlined reading notes for the chapters covered before they can make up the quiz.
- ❖ **Exams:** There will be **3 exams**. These exams account for 35% of your overall grade. The final exam will not be cumulative. Exams will consist of a combination of multiple-choice and short-answer or fill-in-the-blank questions. Make-up exams will be allowed with prior notification, but may require documentation. Students wishing to take a make-up exam must apply to the instructor via email. **There are no make-ups for the FINAL EXAM.**
- ❖ **Assignments:** There will be **6 video assignments/assignments** to supplement student knowledge and understanding. Assignments have a greater weight than a single quiz because there are fewer assignments than quizzes. It would be best not to attempt to offset a zero. Late assignments will receive an automatic deduction of ten points each day they are late. No assignment will be accepted 3 days after their due date.
- ❖ **Discussion Threads:** Every semester I create a discussion thread to discuss current events related to government. Carefully read the handout (on blackboard with your first discussion) detailing discussions and how to receive full credit. Discussions consist of an initial post of 500 words and must include at least two outside sources of information (outside of class materials...that's right, research a little). You must also complete two fully developed 150-word responses to two different classmates. As with assignments, an automatic deduction of 10 points will be assessed each day late and will not be accepted after 3 days.
- ❖ **If you are having any difficulty with the materials or work, please be proactive and contact me to discuss your options. It is better to ask me for help ahead of time.**
